**L**ife Is a Garden Party, Vol. III, applies God's principles to daily life from the perspective of gardening and nature. It's a family read and will inspire readers through the author's observations told in rhyme.

Life Is a Garden Party was never planned. The observation soon morphed into an application with scriptures, and in a short time, many volumes were written. The author did not know she could write in rhyme. This volume occurred after having corrective surgery for an AVM (Arterio Venous Malformation). Life Is a Garden Party is proof that "all things work together for good to those who love God" Romans 8:28.

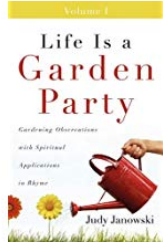

The author begs to hear from her readers. Photos from her garden and more poems are posted weekly on her blog, where she can also be contacted: <http://lifisagardenparty.blogspot.com>
