If you ever feel sad just remember that Snape had to teach Luna potions too

Snape: "What... are you doing, Miss Longbottom?"
Luna: "I decided not to make the potion, Professor. It has bad energy."
Snape: "You... what?"
Luna: "Bad energy. Bad. But I realized the flower for you from the ingredients and you can put it in your hair."
Snape: "..."
Luna: "I think it would look very nice on you. Keep it away the 'blackquarts', you know."
Snape: "lookward slides away" -Harry Potter Fans
